### Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On June 20, 2023, RMG Acquisition Corp. III (the “Company”) received a written notice (the “Notice”) from the Listing Qualifications Department (the “Staff”) of The Nasdaq Stock Market LLC (“Nasdaq”) notifying the Company that, for the last 30 consecutive business days, the Company’s Market Value of Listed Securities (“MVLS”) was below the minimum of \$35 million required for continued listing on the Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(b)(2) (the “Market Value Standard”). The Staff also noted that the Company does not meet the requirements under Nasdaq Listing Rules 5550(b)(1) (Equity Standard) and 5550(b)(3) (Net Income Standard). The Notice does not impact the listing of the Company’s Class A ordinary shares par value \$0.0001 per share (“Class A ordinary shares”), on the Nasdaq Capital Market at this time.

The Notice provided that, in accordance with Nasdaq Listing Rule 5810(c)(3)(C) (the “Compliance Period Rule”), the Company has a period of 180 calendar days from the date of the Notice, or until December 18, 2023 (the “Compliance Date”), to regain compliance with the Market Value Standard. During this period, Class A ordinary shares will continue to trade on the Nasdaq Capital Market. If at any time before the Compliance Date the Company’s MVLS closes at or above \$35 million for a minimum of 10 consecutive business days as required under the Compliance Period Rule, the Staff will provide written notification to the Company that it has regained compliance with the Market Value Standard and will close the matter (unless the Staff exercises its discretion to extend this 10 business day period pursuant to Nasdaq Listing Rule 5810(c)(3)(H)).

If the Company does not regain compliance with the Market Value Standard by the Compliance Date, the Staff will provide a written notification to the Company that Class A ordinary shares will be subject to delisting. At that time, the Company may appeal the Staff’s delisting determination to a Hearings Panel (the “Panel”). However, there can be no assurance that, if the Company receives a delisting notice and appeals the delisting determination by the Staff to the Panel, such appeal would be successful.

The Company intends to monitor its MVLS between now and the Compliance Date, and may, if appropriate, evaluate available options to resolve the deficiency under the Market Value Standard and regain compliance with the Market Value Standard. The Company may also try to comply with another Nasdaq listing criteria, such as the one under Nasdaq Listing Rule 5550(b)(1) (Equity Standard). However, there can be no assurance that the Company will be able to regain or maintain compliance with Nasdaq listing criteria.

### Forward-Looking Statements

This Current Report on Form 8-K includes “forward-looking statements” within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Certain of these forward-looking statements can be identified by the use of words such as “believes,” “expects,” “intends,” “plans,” “estimates,” “assumes,” “may,” “should,” “will,” “seeks,” or other similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including the Company’s ability to successfully appeal a delisting determination, the Company’s ability to resolve the deficiency under the Market Value Standard and regain compliance with the Market Value Standard or use different Nasdaq listing criteria in order to regain compliance. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the Company’s forthcoming registration statement on Form S-4, the proxy statement/prospectus contained therein, the Company’s Annual Report on Form 10-K, the Company’s Quarterly Reports on Form 10-Q and other documents filed by the Company from time to time with the U.S. Securities and Exchange Commission (the “SEC”). These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. The Company gives no assurance that the Company will achieve its expectations. The inclusion of any statement in this communication does not constitute an admission by the Company or any other person that the events or circumstances described in such statement are material.
